Re: C30000756 (Freedom's Watch, Inc.)

Dear Mr. Jones:

This letter responds to your correspondence of October 7, 2008 (Identification Number: C30000756) regarding the need for an amendment to Freedom's Watch ("FW") FEC Form 9's filed on 9/10/2008 and 9/11/2008. In your correspondence, you note that the Form 9's referenced above "fails to include the date of public distributions" Freedom's Watch acknowledged this inadvertent error in leaving **Line 5** blank on the Form 9 filed on 9/11/2008 regarding the FW advertisement entitled "Dept. of Peace – Welcome."¹ FW filed an amendment to that filing on November 4, 2008 to remedy this inadvertent error and filed amendments to any other FW Form 9 reports where FW may have also inadvertently left Line 5 blank. A copy of the amendment to the 9/11/2008 Form 9 for "Dept. of Peace-Welcome" is attached.

With regard to the Form 9 filed on 9/10/2008 for the FW advertisement entitled "Wrong Choices," our records and the FEC's public filings reflect that Line 5(a) Date of Public Distribution of that particular filing actually includes the appropriate Date of Public Distribution – "09/09/2008." Attached is a copy of the date stamped Form 9 filing for "Wrong Choices."

¹ FW would point out that the 9/11/2008 filing references the actual date of public distribution for the permissible electioneering communication on **Line 4** when stating the reporting period.
